INTERNATIONAL WOMEN'S DAY

Spring is coming and with it comes beautiful celebration – international women's day. Ladies, we wish you all the best not only for this day alone, but throughout the year. Shall peace, happiness and success stay with you.

NEW ADDITION TO SMART REGULATION

We introduce new addition to family of [SMART regulation](#). [ADRIANsmart THERMO](#) is the innovation especially designed to apply to your heating and cooling system or any water supply system in general. User friendly touch screen display is added to favourite control unit with wireless sensor. Mobile application is updated and it is still available free of charge. Customers who were looking for instant information about their system without taking out their phone will now get what they wanted. Improved control unit now operates your system even if your WI-FI signal is out and it will function based on your last settings. In such case the controller will communicate with relay on radio frequency 433 MHz. Learn more on our [e-shop](#) and get your new [ADRIANsmartTHERMO](#).

PRESENTATION DAYS

Dear customers and business partners. Favourite series of presentations „Heating, cooling and ventilation“ are back. The next one will take place in Košice, Hotel Košice, March 9th 2022. Meet our representatives, learn more about news, get complete documentation with refreshments free of charge. Pandemic restrictions are gone and we may freely discuss energy solutions. Free entry starts at 8:45 a.m.

NEW REFERENCE AT ROSENBERG-SLOVAKIA

By the end of 2021 GASOTHERM PLUS, long term partner from Košice, succeeded in bringing efficient energy solution to new production and warehouse facility of ROSENBERG SLOVAKIA, Medzev. Smart application of 6 pcs of [ADRIAN-RAD E 352](#) on various positions does the job. Customer's satisfaction is based on great cooperation and coordination of all participants. Technical support proved to be essential once again. Smooth execution is greatly important for the construction may be even more than price itself.

SERVIS TRAINING IN MARCH 2022

We invite all service partners to attend next training scheduled March 17th and 24th in ADRIAN GROUP facility between 9:00 a.m. and 12:30 p.m. Learn about all changes in product portfolio, take a closer look at all construction changes with new appliances designed to meet all EcoDesing and ERP requirements.
