NEW IMAGE

With spring our motor park gets new life as well. Besides new additions we introduce new image design. When you see any of these parked at your premises, be sure professional technicians arrived on site to deliver best services. Count on us.

WEBINAR

Commercial and investment opportunities in Russian Federation was a specialized webinar organized by Chamber of Commerce and Industry in Bratislava. We shared our experience and best advice. Our story last more than 25 years and it resulted in large number of successful installations and references especially in domain of big industrial objects.

ATTENTION – CHANGE INTO AIR UNITS REGULATION

In order to achieve simplicity in selection of regulation for **hot air gas fired units** or **gas door curtains** we made the following change. Order code 3-50-010 now stands for multi-purpose control box you are free to use for both solutions. Universal system will make life easier for all starting from project designer through purchasing and installation. Check the latest information [here](#).
